8/1

affair (fat asshole reading turtle man)

"Tell ~~me~~. squeeky boots to stop shining his flashlight in my fucking eyes - and to grease his boots, pod godsake." * almost slept in past dawn deadzy...

you still here? what're you a mass murderer? I mean I killed 10 guys but they could never find the bodies, so it's pretty unclear if I'm here, new pp gets scared...!

"first thing you learn is how to be an asshole!" * kiosk broken, no number, trying to get hygiene supplies - 3 officers come not listening to my concerns, grab him by the arms, throw his walker and drag him as he ties to hobble w/ them, new spilling and tazing - unnecessary force - depriving use of basic needs. "so stuff these officers - real messy - ASSHOLES / eyes open - Kevin saw, looked fucking stoked. "they didn't need to do that".

captivity - unrestricted captivity - charm, infatuate, attract

captain - lead

these officers, they're the fucking SKINWALKER

Book of Progetts II new thesaurus
